Looking for an updated, 3 bedroom ranch style home in Brentwood on a quiet cul-de-sac... look no further! Step inside the living room/dining room combo and notice the stunning refinished hardwood floors, open floor plan and abundance of newer windows that flood the home with natural light.

The kitchen is open to the living room/dining room. This kitchen is sure to please aspiring chefs with stainless appliances, granite counters and custom white cabinetry. You can access the beautiful fenced-in private backyard off of the kitchen. There is a large patio and separate covered patio. Sit outside under the stars and watch TV located under the covered patio.

There are also 3 bedrooms and 1 bath on the main floor. The lower level is partially finished with a recreation room and half bath. Seller has made the following recent updates: stone tiered retaining wall in backyard, AC in 2017 & architectural roof in 2015. This home is move-in ready!
